

Dual-class

Dual-classing rules in the books are very light. This page solidifies them a bit.^{Ex}  We haven't properly playtested dual-classing yet, though we expect to have some dual-classing happening soon. We'll solidify the rules a bit by then.

- Characters can only dual-class after completing training to level up in their current class. Therefore, a character cannot dual-class at character creation.¹⁾

¹⁾ I highly doubt character creation dual-classing was intended to be allowed. For one, fighter → magic-user dual-class for extra starting HP wouldn't have a downside, so it's unlikely it was intended to be an option.
