2025-11-05 02:23 1/1 Remove Curse

Remove Curse

Remove curse will not work on an item that is the **source** of the curse. For example, a cursed magic item such as a weapon or scroll cannot have its curse lifted by having *remove curse* cast on it. *Remove curse* serves to remove the curse from an object, person, or place that has been **afflicted** by a curse.
