## **Strength Bow**

Strength bows are those described on DMG 64 under the "Strength Bonus Considerations" section.

## **DM** notes

Is is recommended that if strength bows are made available, they have at least one downside other than cost. If the cost is the only downside, it provides a way to purchase a considerable power upgrade at a store, which is basically unprecedented in the game. Perhaps make them require maintenance like the UA plate armor, 10 or obtainable only through questing.

As a reminder, we recommend making UA plate armor only available as magic items.
